EDUCATION

Bachelor of Information Technology and Bachelor of Commerce (Double Degree)

Jul 2022 to Nov 2026

Monash University

Melbourne, VIC

- **Majors:** Business Analytics, Cybersecurity. Coursework: machine learning, econometrics, statistical modelling, data visualisation, database systems, risk management, project management.
- **Student Telephone Fundraiser, Monash Alumni Outreach Centre (2024):** raised AUD 300,000+ for access scholarships supporting disadvantaged students.
- **Innovation for Impact Award (2024):** competitive award for responsible AI solution design, evaluated on commercial viability, technical rigour, and societal impact.

EXPERIENCE

Supply Chain Planner

Jan 2026 to Present

BSH Home Appliances Australia

Melbourne, VIC

- Manage \$50M+ national inventory across AU and NZ for four premium brands in SAP, owning stock transfers, allocations, project reservations, and 3PL coordination to reduce backorder exposure.
- Designed and deployed Python automation pipelines that consolidate retailer forecast templates into master workbooks across two regions, cutting a multi hour manual process to minutes and improving data integrity for national planning cycles.
- Built and deployed enterprise grade UiPath RPA automations integrated with SAP, delivering production bots via Orchestrator that eliminate manual planning and reporting cycles across national operations.
- Engineered agentic AI workflows integrating multi model LLMs (Claude, GPT, Gemini) into operational processes, rapidly deploying autonomous agents to accelerate throughput.
- Built Power BI dashboards and Excel reporting frameworks surfacing KPIs across 500+ SKUs, reducing manual reporting effort by ~25%.

Procurement and Supply Chain Project Coordinator

Jan 2025 to Jan 2026

Cummins Asia Pacific

Melbourne, VIC

- Directed multi supplier coordination across large scale rail programs for Alstom Rail and Sydney Trains as single point of contact across metal fabrication, electrical subsystems, exhaust, remanufacturing, wiring, and fasteners suppliers, driving on time proposal submission and project delivery.
- Coordinated two concurrent diesel genset development programmes end to end, owning on time delivery across engineering, commercial, and operations workstreams.
- Led RFQ processes with 30+ suppliers covering capability benchmarking, risk assessment, and commercial negotiation, delivering six figure annual cost savings recognised with the Innovation for Impact Award.

Technical Support Analyst

Feb 2023 to May 2024

YoureOnTime

Melbourne, VIC

- Supported 200+ SME clients on a cloud SaaS platform via Zendesk, leading onboarding, issue resolution, and data migration tasks while maintaining high response quality under sustained ticket volume.
- Analysed recurring support trends with engineering to prioritise product improvements and deliver process changes that lifted client engagement by 15%+.

Product Demonstrator and Content Creator

Aug 2022 to Sep 2024

Dyson

Melbourne, VIC

- Ranked number one nationally in sales across all retail staff for two consecutive years, broke the single day floorcare sales record, and was selected as exclusive content creator for branded launches.

PROJECTS

- **Previa, AI Financial Intelligence Platform (Co Founder, 2025 to Present):** co founded a full stack AI platform (React, TypeScript, Supabase) automating receipt reconciliation for SMEs with 90%+ accuracy; owned end to end product delivery and LLM integration.
- **GymBro, AI Powered Fitness App (Solo Developer):** built production grade mobile app (React Native, Expo, TypeScript) with offline first SQLite persistence, Zustand state management, and agentic AI development workflow.

LEADERSHIP AND EXTRACURRICULARS

- **Founder and Programme Coordinator, Preflight STEM Initiative (2024 to Present):** founded and personally fund a STEM outreach programme for children affected by poverty and disadvantage in Sri Lanka; own volunteer coordination, curriculum, and delivery.
- **Officer, Australian Air League (2014 to Present):** over 11 years of youth leadership in aviation and civic education; mentor cadets and coordinate squadron operations.
- **Head Coach, Basketball Victoria and Waverley Raiders (2017 to 2025):** coached junior teams at state and domestic level for eight years, developing player confidence, teamwork and team strategy.
